RE: Bluecoats, Inc. Police Memorial Luncheon

Every year, we look forward to connecting with our families, friends, associates and peers, but given the growing concerns around the Coronavirus (COVID-19), we have made the difficult decision to cancel our Police Memorial Luncheon scheduled for May 14, 2020. We want to do our part to slow the COVID-19 pandemic, by adopting social distancing measures — including remaining at least 6 feet apart from anyone we encounter outside our homes.

With the government and health restrictions that are in place in the Washington D.C. and Virginia areas, as well as travel advisories throughout the country, a decision was made to cancel the public events of National Police Week in Washington, D.C. and the State of Ohio Memorial Services in London, Ohio.

We are disappointed that we cannot come together this year to honor our fallen heroes along with our families and draw strength from one another, but given the national crisis we must, as always put the safety of the public first.

Your health, safety and well-being are our primary concern as we navigate these unprecedented times with this global pandemic. Please continue to do all you can to keep yourself, your family and our entire community safe by following the recommendations of medical experts and government officials.

Thank you, very best wishes and stay healthy.

Sincerely,

Chuck LoBello
